this is the second of multiple volumes we plan to publish if the lord is willing as i  
began listening to the sermons and reading the transcripts for this volume i began to  
realize the practicality and the focus of wayne as he challenges his hearers to think  
and to consider their actions along life s pathway wayne has a way of always  
challenging his audience i believe all who will read the sermons in this book will find  
many nuggets of spiritual nourishment and find themselves facing serious spiritual  
questions in living for jesus christ the messages are truly inspiring

you hold the second of two volumes of one giant love story this story is about  
arapakos father and how she came to care for him when he was elderly there is no  
more popular greek myth than the one of the hero hercules and while you may not  
know her father or her by the time she superimposes her father s saga onto the

labors of hercules you will arapakos overarching aim is for you and your parents to benefit from what she has to tell you hercules and she had much in common they both wanted to help make things right despite the odds and both proved victorious in volume 2 the roles reverse and you find arapakos taking on the part of hercules as she performs her adaptation of the twelve herculean labors to care for her father when huntington s disease began making its mark on his life and person she retells each labor hercules undertook before making parallels to what she did for her father she is confident the herculean myth and her father s story will move you the circle of love can continue through your actions and a better informed mind and heart set for your loved one in need
